Pune

### SKILLS

HTML  
CSS  
JavaScript  
Tailwind css  
Node Js  
MongoDB  
Express Js  
Git and GitHub  
C Language

### EDUCATION

Higher Secondary Certificate  
Rajasthan Sr. Sec. School,  
Chirawa  
2018-2019  
PCM

### LANGUAGES

English  
Hindi

### PROFILE

I am a dedicated learner currently focused on mastering the MERN Stack (MongoDB, Express.js, React.js, Node.js) in web development. Eager to leverage my programming skills, I am committed to building dynamic and user-friendly applications. With a strong foundation in coding principles, I am adaptable and quick to grasp new technologies. My passion for problem-solving drives me to create efficient and scalable solutions. As an aspiring full-stack developer, I am actively engaged in personal projects to enhance my expertise. I thrive in collaborative environments, valuing teamwork and embracing challenges. Seeking opportunities to contribute my skills and grow professionally in a dynamic industry.

### WORK EXPERIENCE

#### Student

2023

PWSkills

Currently Learning MERN Stack  
PWSkills (Online Learning Platform)  
Dates: Ongoing

#### Responsibilities:

- Enrolled in comprehensive MERN Stack course on PWSkills to develop practical skills in web development.
- Actively participating in coding exercises and hands-on projects to reinforce theoretical knowledge.
- Demonstrating strong dedication and time management skills to progress through the course successfully.

#### JavaScript Project Challenge

Dates: Ongoing

- Currently undertaking a 50-day JavaScript project challenge to strengthen proficiency in web development.
- Building projects using HTML, CSS, and JavaScript to enhance hands-on coding skills.
- Exploring advanced JavaScript concepts and implementing interactive features for dynamic web applications.
- Demonstrating commitment to continuous learning and self-improvement in the field of web development.
